money matters in church helps leaders to discover a one stop comprehensive model for managing finances and fundraising it guides leaders of any size church or ministry to create a culture of giving that supports savvy faithful and legal financing the authors present a biblical theology of stewardship that supports ways to develop donors and maximize contributions enact a strategic budget and effective audit process project income and expenses work with banks compensate staff and address debt the book s practical step by step approach makes finance issues understandable for leaders without a business background

written from years of ministry and business experience smart church finances is built on a solid foundation of business principles but unlike many business books in a straightforward style that anyone can grasp you ll learn how to communicate vision and strategize with a team steward resources well yes including budgeting prioritize goals wisely make decisions and evaluate outcomes based on vision and data leverage the existing talents of men and women at your church many of whom don t fit in traditional ministry roles back cover

build a solid financial foundation for your congregation s mission every congregation regardless of size needs a solid foundation in financial stewardship to fulfill its mission church finances for missional leaders provides pastors treasurers trustees and finance and stewardship committees with the practical tools and biblical wisdom necessary to manage church resources faithfully and effectively this comprehensive guide interprets financial vocabulary and walks you through essential topics including budget creation financial sustainability the strategic role of reserves and the vital connection between personal and congregational stewardship you ll discover proven methods for communicating financial needs generating resources for mission work planning and projecting income and developing effective strategies for campaigns and appeals as well as for managing risk and liability filled with worksheets sample policies and actionable guidance this resource equips church leaders to lead with confidence endorsed by respected voices in stewardship ministry this book reminds us that faithful financial leadership isn t just about numbers it s about advancing god s work through wise and generous stewardship an essential resource for every church leader s library

the pastor s and treasurer s essential handbook to all aspects of church finance building on a

stewardship model this guide outlines sound up to date financial practices

this resource presents key principles of managing church finances in an easy to understand format to help those responsible to strategize organize measure communicate and protect congregational financial resources for effective ministry

many pastors conceive of the church budget as primarily a financial tool but in fact it is primarily a pastoral tool a church s philosophy of ministry is locked into its budget and so the budget will either stifle or accelerate any attempts to move a congregation toward a biblical model of church health as such the church budget is a far more potent pastoral tool than many church leaders realize budgeting for a healthy church examines each section of the budget in light of biblical principles to show how a church budget can lock in healthy approaches to ministry whereas most books on church budgeting are how books explaining how the budgeting process should work this is a what book helping church leaders determine the pastoral implications of what they choose to fund in their budgets

budget report for 1929 31 deals also with the operations of the fiscal year ended june 30 1928 and the estimates for the fiscal year ending june 30 1929

financing churches using christian s contributions seems to be a challenge in many churches today changes in the society due to technological effects have exposed believers especially in developing world to modern lifestyles which in turn have resulted to more youth not attending church services these changes namely social political cultural and economical are perceived to have caused unreliability and non directional fluctuation of christian s contributions as a main source of fund this book gives field evidence on source of church finances and its reliability to sustain church operations it shows how previously different authors thought about reliability and sources of church finances including willingness of contributors the book explains reliability and sustainability of christian s contributions as a major source of fund at dioceses and at parish levels finally it shows light on the way forward on how churches can focus to sustain their dioceses and parishes financially without affecting christians spiritually
