research perspectives on social media influencers and their followers argues that the brands that find the most success on social media are the ones that acknowledge the real key to social media marketing it s all about the followers this collection edited by brandi watkins explores how social media has shifted power dynamics away from brands and toward the consumers themselves the social media users who choose to like share and engage with brands online this dynamic has paved the way for the rise of the social media influencer smi a unique category of social media user who has a large platform and compelling content that attracts a number of loyal and devoted followers it s the followers that make smi relevant and appealing to brands as a marketing strategy contributors discuss emerging trends in research related to the smi and their followers as the influencer marketing industry continues to grow and evolve they argue so too should our understanding of the influencer follower relationship that makes this marketing strategy successful each chapter of this collection presents a variety of research perspectives questions and methodologies that can be used to analyze this trend scholars of media studies communication technology studies celebrity studies marketing and economics will find this book particularly useful

next level revelatory sarah knight new york times bestselling author of the life changing magic of not giving a f ck excellent rina really knows her shit i m so thankful for this book jameela jamil actress and host of i weigh journalist rina raphael looks at the explosion of the wellness industry how it stems from legitimate complaints how seductive marketing targets hopeful consumers and why women are opening up their wallets like never before wellness promises women the one thing they desperately desire control women are pursuing their health like never before whether it s juicing biohacking clutching crystals or sipping collagen today there is something for everyone as the wellness industry has grown from modest roots into a 4 4 trillion entity and a full blown movement promising health and vitality in the most fashionable package but why suddenly are we all feeling so unwell the truth is that deep within the underbelly of self care hidden beneath layers of clever marketing wellness beckons with a far stronger more seductive message than health alone it promises women the one thing they desperately desire control vividly told and deeply reported the gospel of wellness reveals how this obsession is a direct result of women feeling dismissed mistreated and overburdened women are told they can manage the chaos ruling their life by following a laid out plan eat right exercise meditate then buy or do all this stuff and while wellness may have sprung from good intentions we are now relentlessly flooded with exploitative offerings questionable ideas and a mounting pressure to stay devoted to

the divine doctrine of wellness what happens when the cure becomes as bad as the disease with a critical eye humor and empathy wellness industry journalist rina raphael examines how women have been led down a kale covered path promising nothing short of salvation she knows raphael was once a disciple herself trying everything from clean eating to electric shock workouts until her own awakening to the troubling consequences balancing the good with the bad the gospel of wellness is a clear eyed exploration of what wellness can actually offer us knocking down the false idols and commandments that have taken hold and ultimately showing how we might shape a better future for the movement and for our well being

digital femininities the gendered construction of cultural and political identities online examines the role of new media technologies in the production of girls cultural and political identities the book argues that the varied and complex spaces which make up our social media should be conceptualised as important terrains upon which neoliberal and postfeminist subjectivities can be both reproduced and subverted in doing so the book explores many key issues underpinning current debates around gender politics and digital media including gendered spatial politics visibility surveillance and regulation beauty politics and civic and political engagement and activism over the last decade the position of girls and young women within the digital landscape of social media has been a topic of much debate on the one hand girls social media practices are presented as a key site of concern wherein new digital technologies are said to have produced an intensification of individualised neoliberal and postfeminist identities conversely others have championed access to social media for young people as a potentially useful political tool enabling previously marginalised political subjects such as girls to access and participate within new and exciting political cultures locating itself at the intersection of these two approaches this book offers a fresh contribution to these debates based upon the findings from focus groups with girls and young women aged between 12 and 18 in england the book offers an in depth analysis of the digital cultures that emerged from the study this timely book will be essential reading for anyone interested in contemporary femininity and feminism and the role of digital media in the production of cultural political and gendered identities

the workout book that really packs a punch who needs to be in better shape than a professional boxer who better to help a woman of any age get into her finest possible physical condition and stay there than wbc welterweight champion mia st john in the knockout workout mia helps you master the exercises and workouts that keep boxers and martial arts experts fit and trim with clear step by step instructions and plenty of detailed photos she shows you how to punch and kick your way to a level of fitness you never thought possible she provides diet tips and meal plans that keep you healthy satisfied and slim along with mental strategies to achieve power calmness and tenacity don t try to slim down with quick fixes or bulk up with heavy weights follow the simple three step program you ll find in the knockout workout and you ll be a knockout in no time

what are the biggest obstacles to sticking to a workout plan you don t have enough time it costs too much you don t have enough equipment you don t know how to get the results you want now you can set those excuses aside smarter workouts the science of exercise made simple gives you the solution you need with efficient and effective workout programs that use only one piece of equipment you can work out in a short period of time without spending a lot of money on expensive equipment or gym memberships all while targeting your personal goals exercise doesn t have to be difficult to

figure out in smarter workouts fitness expert pete mccall explains the effects of exercise on your body so you can identify what will work best for you he gives you access to fat burning workouts that help you work smarter to produce real results first choose your target improving mobility for better balance and coordination strengthening your core for better functional movement or amping up your metabolism with sweat inducing conditioning work then select one of seven equipment options to perform your workout bodyweight dumbbell kettlebell medicine ball stability ball sandbag resistance band armed with a variety of exercises and organized plans you'll flow quickly through your workouts saving precious time and experiencing real results put an end to your frustration and let smarter workouts be your go to guide for smart effective workouts earn continuing education credits units a continuing education exam that uses this book is also available it may be purchased separately or as part of a package that includes both the book and exam

the foundation of the yee systems program is core training this is the area between your chest and knees yee systems designed to train you from the center of your body out for coordination and balance athletes understand the importance of balance and coordination in sports yee systems is for everyone regardless if you compete in sports or not this program designed to advance your genetic potential and overall condition strong abs would enhance your overall combination routines or in a series to concentrate on the abdominal region some people can become obsessed with numbers in their training yee systems is based on change to shock your routine so that there is no adaptation from workout to workout any athlete can do 1 000 sit ups nonstop then they want to do more of the same exercise it does not mean that your overall ab conditioning is stronger yee systems encourages partner resistance and group training the average number for repetitions in the yee systems is ten you will be doing many exercises that use a towel with partner resistance to use of the medicine ball for added weight and resisting impact some exercises you will be doing solo but applying your own resistance machines and sit up boards cannot run with you on the program the mats are your home base and can be set up anywhere yee systems has few to no rest periods an example would be doing a high jump push up combination routine and you get winded instead of sitting down to rest the group leader would have everyone doing ab work while they catch their breath and continue to another combination there are so many options and variables that you will not repeat the same routine again you do not want your body to get used to anything all the abdominal exercises shown can be added into any combination or done between sets there is no set rule on when to do them variety and unpredictability will make exercising fun

you probably have enough on your to do list and adding hours of exercise and perfect dieting to it won't guarantee hot body results frankly if a diet and fitness routine feels too strict or time consuming it usually backfires and

won't work long term the solution shape up shortcuts the ultimate collection of fitness and diet tips from Jen Ator, CSCS and the editors of Women's Health.
