corporate management in a knowledge based economy traces the evolution of corporate governance over time with a particular focus on the changing nature of power the control of scarce resources used in production materials labour and capital has evolved considerably over the past centuries with government landowners non owner managers and institutional investors acting as controlling powers at different points in time in order to appropriately protect the various and changing stakeholders the system of corporate governance has also developed over the years a process that continues to the present in today s knowledge based economy with the rising importance of intangible assets a new corporate management paradigm is needed this book incorporates theoretical work as well as practical applications to analyse these developments and explore emerging trends of the 21st century it examines how the pursuit of profit maximization has resulted in governance failures and it focuses on the prospective role of business ethics once again in the spotlight following the credit crisis in helping reform flawed governance structures it argues that in the long term a system based on ethics can maximize social responsibility customer satisfaction human capital development and economic targets

L ebook affronta il tema delle autorizzazioni ambientali e si propone di delineare una panoramica dei procedimenti autorizzativi volti alla ponderazione degli interessi pubblici e privati nella logica della tutela dell ambiente formalmente riconosciuta tra i principi fondamentali della costituzione a seguito della riforma dell art 9 intervenuta con la legge costituzionale n 1 2022 e sempre più strettamente connessa alla salvaguardia di diritti di rango primario come quelli alla vita e alla salute anche grazie al fondamentale apporto della normativa e della giurisprudenza eurounitarie il testo si rivolge a pubbliche amministrazioni enti imprese e operatori del settore e intende offrire un panorama completo delle competenze adempimenti procedure responsabilità con riguardo alle principali autorizzazioni ambientali accanto all autorizzazione integrata ambientale aia volta a superare un approccio settoriale rispetto alla soluzione dei fenomeni di inquinamento e all autorizzazione unica ambientale qua espressione dell esigenza di semplificazione procedimentale alla quale tende l ordinamento amministrativo si è ritenuto di analizzare il complesso tema delle autorizzazioni degli impianti per l

energia rinnovabile di particolare attualità a fronte dell'urgenza di incentivare la transizione verso fonti energetiche non soggette a esaurimento e con un limitato impatto ambientale. Lo scopo dell'ebook è non solo quello di fornire al lettore elementi per la comprensione delle questioni tecnico giuridiche inerenti alle autorizzazioni ambientali ma anche di rappresentare uno strumento di agevole consultazione per gli operatori del settore in relazione alle problematiche che possono emergere nella concreta applicazione degli istituti oggetto di indagine. Adeguato spazio è stato quindi riservato alla trattazione del regime sanzionatorio come disciplinato dal d.lgs. n. 152/2006 e dal codice penale individuando le conseguenze dell'inosservanza delle disposizioni normative relative alla tutela dell'ambiente mentre il capitolo conclusivo si incentra sulla responsabilità amministrativa degli enti derivante dalla commissione di illeciti penali a norma del d.lgs. n. 231/2001 dedicando attenzione all'attività di controllo in materia di autorizzazioni ambientali e alle buone pratiche.
