glasgow s thirteenth century cathedral is the city s oldest building and one of scotland s top tourist destinations the cathedral remains an active congregation of the church of scotland and serves as the focus for many events of national significance it is however many years since a comprehensive overview of the cathedral s history has been published the standard work the book of glasgow cathedral was compiled more than 120 years ago by george eyre todd since then the interior of the building has been completely transformed thanks largely to the efforts of the society of friends of glasgow cathedral founded in 1936 by the rev a neville davidson with the aims of adorning and beautifying the building and encouraging research into its history to mark the eighty fifth anniversary of the society this

new book traces the story of its achievements and presents the fruits of scholarship undertaken during recent decades combining essays and lectures on the history of glasgow cathedral by eminent historians of the past with new and hitherto unpublished research where mortal and immortal meet will be an invaluable resource for future generations of historians and for all those who have a love for one of scotland s most significant architectural treasures

this book and the accompanying volume a aberdeen kirkcudbright are composed from the three volumes together called inquisitionum ad capellam domini regis retornatarum quae in publicis archivis scotiae adhuc servantur inquiries returned to the chancery of our lord the king which are held in the archives of scotland from 1544 to 1699 these records informally known as retours of services of heirs represent possibly the greatest unused resource for scottish genealogy and land history but are not widely available and thus are largely unknown essentially they are abbreviated abstracts of the records of inheritance the continuity of heritable possession of land and certain associated rights and responsibilities the original retours themselves are often long and complicated and mostly in latin but they were indexed and abbreviated into the form presented here the retours can be searched by county then by surname and placename with additional material and a latin glossary by dr bruce durie
