comparing and contrasting the world wars

the impacts of war are limitless and in many respects unfathomable in the first world war four broad levels of impact upon Britain may be discerned impact upon the soldiers and sailors in the battle line the most severe impact upon the military leaders the generals above all who directed them this also could be severe impact upon politicians who directed the generals and admirals and here the severities begin to change their substance impact upon the people whom the politicians represented this is where generalisation must always be taken with large pinches of salt

this vivid detailed history of world war I presents the general reader with an accurate and readable account of the campaigns and battles along with brilliant portraits of the leaders and generals of all countries involved scrupulously fair praising and blaming friend and enemy as circumstances

demand this has become established as the classic account of the first world wide war

the course of events of the great war has been told many times spurred by an endless desire to understand the war to end all wars however this book moves beyond military narrative to offer a much fuller analysis of of the conflict s strategic political economic social and cultural impact starting with the context and origins of the war including assasination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan european revolution the war left a long term legacy for victors and vanquished alike it created new frontiers changed the balance of power and influenced the arts national memory and political thought the reach of this acount is global showing how a conflict among european powers came to involve their colonial empires and embraced japan china the ottoman empire latin america and the united states

a landmark history of the war that firmly places the first world war in the context of imperialism and gives due weight to the role of non europeans in the conflict

new york times bestseller drawing on exhaustive research this intimate account details how world war i reduced europe s mightiest empires to rubble killed twenty million people and cracked the foundations of our modern world thundering magnificent a world undone is a book of true greatness that prompts moments of sheer joy and pleasure it will earn generations of admirers the washington times on a summer day in 1914 a nineteen year old serbian nationalist gunned down archduke franz ferdinand in sarajevo while the world slumbered monumental forces were shaken in less than a

month a combination of ambition deceit fear jealousy missed opportunities and miscalculation sent austro hungarian troops marching into serbia german troops streaming toward paris and a vast russian army into war with england as its ally as crowds cheered their armies on no one could guess what lay ahead in the first world war four long years of slaughter physical and moral exhaustion and the near collapse of a civilization that until 1914 had dominated the globe praise for a world undone meyer s sketches of the british cabinet the russian empire the aging austro hungarian empire are lifelike and plausible his account of the tragic folly of gallipoli is masterful a world undone has an instructive value that can scarcely be measured los angeles times an original and very readable account of one of the most significant and often misunderstood events of the last century steve gillon resident historian the history channel

historian jacques pauwels applies a critical revisionist lens to the first world war offering readers a fresh interpretation that challenges mainstream thinking as pauwels sees it war offered benefits to everyone across class and national borders for european statesmen a large scale war could give their countries new colonial territories important to growing capitalist economies for the wealthy and ruling classes war served as an antidote to social revolution encouraging workers to exchange socialism s focus on international solidarity for nationalism s intense militarism and for the working classes themselves war provided an outlet for years of systemic militarization quite simply they were hardwired to pick up arms and to do so eagerly to pauwels the assassination of archduke franz ferdinand in june 1914 traditionally upheld by historians as the spark that lit the powder keg was not a sufficient cause for war but rather a pretext seized upon by european powers to unleash the kind of war they had desired but what europe s elite did not expect or predict was some of the war s

outcomes social revolution and communist party rule in russia plus a wave of political and social democratic reforms in western europe that would have far reaching consequences reflecting his broad research in the voluminous recent literature about the first world war by historians in the leading countries involved in the conflict jacques pauwels has produced an account that challenges readers to rethink their understanding of this key event of twentieth century world history

this is a masterful historical portrait of the whole movement of calvinism for general readers and scholars alike

presents suggested headings appropriate for use in the catalogs of small and medium sized libraries and provides patterns and instructions for adding new headings as they are required the seventeenth edition features a revision of headings for the native peoples of the western hemisphere as well as many new subdivisions

a landmark history of the war that firmly places the first world war in the context of imperialism and gives due weight to the role of non europeans in the conflict

keith wilson is lecturer in international history at the university of leeds this book is intended for undergraduate history courses broad 20th century european history first world war military history war studies international and diplomatice history school libraries
