this exciting scholarly work examines dutch maritime violence in the seventeenth century with its flourishing maritime trade and lucrative colonial possessions the young dutch republic enjoyed a cultural and economic pre eminence becoming the leading commercial power in the world dutch seamen plied the world s waters trading exploring and colonizing many also took up pillaging terrorizing their victims on the high seas and on european waterways surprisingly this story of dutch freebooters and their depredations remains almost entirely untold until now piracy and privateering in the golden age netherlands presents new data and understandings of early modern piracy generally and also sheds important new light on dutch and european history as well such as the history of national identity and state formation and the history of crime and criminality

somali piracy poses a threat to the uk s national interests as well as global trading routes and international security the costs of allowing piracy to proliferate are high the british shipping industry is worth 10 7 billion to the uk s gdp and the costs of

security insurance re routing have vastly increased the costs of doing business over 300 million has been paid in ransoms to somali pirates over the past four years and thousands of seafarers have been held hostage some of whom have been subject to cruel treatment and even torture self defence measures multi national naval operations and prosecutions have begun to take effect but have not yet contained the problem the major international conference on somalia in february 2012 must produce results although private armed guards will be permitted on uk shipping the government s guidance on the use of force particularly lethal force is very limited and there is little to help a ship s master make a judgement on where force can be used the committee also expresses surprise that so little is known about what happens to ransom money the solution lies in establishing order on land ending impunity for piracy crimes and offering alternatives however the report warns against international claims to deliver a solution in somalia and urges the government to develop its engagement with and support for somali civil society organisations and local projects the fco should also review its communication and other procedures to support family members of british hostages held abroad
