there are very few books about the hinckley built triumphs and none will tell you what to look for when buying one secondhand that s what this book is about it is a straightforward practical guide to buying a used modern triumph it doesn t list all the correct colour combinations for each year or analyse the bike s design philosophy or consider its background as part of a reborn industry but it will help you avoid buying a dud point by point it takes the reader through everything that needs looking at when

buying a hinckley triumph plus spares prices which is the best model to buy for your needs and a look at auctions restorations and paperwork since production started back in 1992 the hinckley triumphs have been a remarkable success story a series of triples and fours that launched an entirely new range of bikes from scratch and in the process restarted the british bike industry the naked trident touring trophy and sports daytonas gained respect all over the world the new generation fuel injected triumphs that followed a few years later carried on the same tradition building on the legacy of that characterful three cylinder engine that became hinckley triumph s trademark as a secondhand buy these bikes offer heritage reliability and a wide choice of styles worth looking out for

this revised updated edition of the complete book of classic and modern triumph motorcycles details the technical development and ever evolving story of the classic triumph motorcycle line from 1937 s speed twin to today s leading street adventure and sports machines
