show managers of all stripes how to be key change leaders in today s world organizational resilience adaptability and agility gain new prominence awaken mobilize accelerate and institutionalize change with organizational change an action oriented toolkit bridging theory with practice this new edition uses models examples and exercises to help students engage others in the change process authors gene deszca cynthia ingols and tupper f cawsey provide tools for implementing measuring and monitoring sustainable change initiatives and helping organizations achieve their objectives the fourth edition includes new critical thinking exercises cases checklists and examples as well as updated coverage of key topics such as social media power dynamics decision testing storytelling and control systems

while there are many books specific to change management or continuous improvement there are few if any books

that address the intersections between change management and continuous improvement after 30 years as a change agent implementing lean and process improvement the author s hypothesis on why continuous improvement efforts stick sometimes and other times not is that many leaders of these efforts fail to understand the importance of change management and the critical intersections between people and process improvement he provides a blueprint or roadmap for leaders of continuous improvement aka change agents efforts on how to anticipate manage and measure change while engaging in continuous improvement managing these critical intersections is key to successful outcomes for both planned and unplanned change initiatives this book helps anyone involved in leading continuous improvement within an organization better understand when to apply change management techniques necessary to achieve successful outcomes many continuous improvement efforts fail because those leading changes do not recognize when to pause and evaluate critical intersections needing change management tools this book provides clear guidance on when to pause what to do and how to navigate these intersections successfully in addition this book provides a primer for those leading change on the foundations of change management and continuous improvement an area often missed in their formal education the reader learns how to plan change manage people through change measure change and sustain change all important aspects of being an effective change agent

includes public acts local and private acts
