es el marco inicial de una doctrina que ha ocasionado profundas repercusiones en el pensamiento y la visión acerca de la vida de una considerable porción de la humanidad su estructura está compuesta por cuatro partes que contienen 1019 cuestiones formuladas por Allan Kardec el codificador del espiritismo aborda en forma lógica y racional las enseñanzas de los espíritus desde los aspectos científico filosófico y religioso independientemente de toda creencia o convicción religiosa la lectura de este libro será de inmenso valor porque trata acerca de dios la inmortalidad del alma la naturaleza de los espíritus sus relaciones con los hombres las leyes morales la vida presente la vida futura y el porvenir de la humanidad todos asuntos de interés general y de gran actualidad

My head is in the united states and my feet are in mexico Carlos sprawled at ease upon the sun warmed grass whereupon Carlota not to be outdone in anything promptly rolled her plump little person over the sward until its length lay along a lime line running due east and west across the plain her yellow curls touched her twin's yet her body formed a right angle to his then she remarked "pooh I'm better than that my heart is in my own country and my heart is on the other side of you from your heart brother" "I don't know maybe gizzard" Carlota sat up amazed and indignant "girls don't have gizzards Carlos Manuel only chickens and geese and things like those you haven't paid attention when my father taught you" Carlos laughed so merrily and noisily that old Marta came to the door of the adobe house to see what was the fun nobody knew the housekeeper's real age it was so very great none could remember things so far back as she but she had ceased to count the years long long ago why not what matter if she still had the heart of a child yes certainly neither Carlos nor Carlota cared to them she had never changed either in appearance or kindness and they found no birthdays worth remembering except their own these only probably because of the gifts and fiestas then made upon the whole rancho "perhaps I didn't little sister but neither did you or you'd never have said 'geeses' nor 'taught'" "Both of us was wrong weren't we" "I returned the girl with as fine a disregard of grammar as of ill temper" "We'll be more tentative when our father comes home won't we" "When will that be Carlos" "It was a perplexing question and the boy put it aside as he put all difficulties until a more convenient season crossing his arms above his head he gazed unblinkingly upward into the brilliant sky proposing "let's find things in the clouds Carlota I see a ship I do truly it's just like the pictures in the books all its sails are set and flying oh can't you see right there there it's moving northward fast-fast it might be the ship in which our father will come home" "He meant to comfort her but Carlota would not look up she could not the sunbeams made prisms of the teardrops on her lashes and blinded her she buried her face in the grass to escape these tiny rainbows" "And all at once fell to sobbing bitterly Carlos hated that he hated anything dark or unhappy he sat up and patted his sister's shoulder soothingly entreating "there don't don't girlie our father wouldn't like it if he should come home now this minute and find you

crying Ó the words were magic carlota sprang to her feet and earnestly peered into the distance crying Òis he do you see him brother do you Ó carlos also leaped up and threw his arm about her waist Òi didnÕt say that did i i only said Ôif ÒÓ Òi donÕt like Ôifs ÒÓ sobbed carlota Òoh carlota donÕt cry you shall not if you do i will go away myself to the northwest to find my father Ó Òoh letÕs Ó Òi said Ôi Ò not you girls never go anywhere because they always cry if it hadnÕt been for that my father might have taken me with him you see he couldnÕt take you on account of it and he couldnÕt leave you at home with only marta and the men for thenÑthat would make more tears so i had to stay to take care of you and i do think if i were a girl the very first thing i would doÑi wouldnÕt cry criers never have real good times i guess Ó this was logic and from carlos whom carlota idolized only less than their absent father most convincing she winked very fast and drew her sleeve across her eyes to dry the drops which would not be shaken off

latin american culture has given birth to numerous dramatic works though it has often been difficult to locate information about these plays and playwrights this volume traces the history of latin american theater including the nuyorican and chicano theaters of the united states and surveys its history from the pre columbian period to the present sections cover individual latin american countries each section features alphabetically arranged entries for playwrights independent theaters and cultural movements the volume begins with an overview of the development of theater in latin america each of the country sections begins with an introductory survey and concludes with copious bibliographical information the entries for playwrights provide factual information about the dramatist s life and works and place the author within the larger context of international literature each entry closes with a list of works by and about the playwright a selected general bibliography appears at the end of the volume

includes lists of the institute s members
