after it was known that jamaican natives failed interviews that were conducted in patois the writer decided that it was time to awaken patois this book was written to inform readers that patois is a written language which can be learned and spoken like any other language the words and phrases in this book originated from english african and creole and can be heard wherever jamaican natives reside

with 3 278 entries and over 13 500 translations and synonyms the jamaicasaurus functions as both the only thesaurus of the jamaican patois dialect and also as the only english to jamaican translation dictionary it is thus an essential resource for anyone interested in jamaican culture and language whether local or foreigner as it marks a new milestone for jamaican as a language of increasing global

interest while also serving native speakers searching for alternate words and expressions recent slang and older terms each english entry in the jamaicasaurus gives as many jamaican translations as possible therefore to use this book as a thesaurus simply look up the english equivalent of the jamaican word or phrase you have in mind and you will see the various jamaican synonyms for it listed there the appendix at the back of the book additionally features extensive lists of jamaican expletives and exclamations odd curiosities and the jamaican names for 278 important species of plants and trees used in jamaica for food medicine and cultural purposes listed by scientific name first also quite importantly jamaicasaurus bridges the gap between the common english based way of spelling jamaican words and the cassidy jlu system being preferred by linguists and many others this edition of the book displays jamaican words in the common english based spelling format but it also incorporates the cassidy jlu format for sample sentences where they occur a jamaican edition featuring exclusively the cassidy jlu spelling format is also available

this book provides an accessible yet comprehensive introduction to the study of the dialects of english as they are spoken around the world from the earliest dialect dictionaries of the sixteenth century to contemporary research emerging from the field of geolinguistics organised into ten thematic chapters it explores and evaluates the methods and purposes of each approach to the study of dialectal variation with full explanations of technical terms throughout illuminating one of the most productive fields of interest in language study this compelling book is essential reading for students of dialect and regional difference in english

this book is the first systematic cross disciplinary survey on the use of jamaican english in ethiopia describing the dynamics of language acquisition in a multi lectal and multicultural context it is the result of over eight years worth of research conducted in both jamaica and africa and is a recognition of the trans cultural influence of the repatriation movement and other diasporic movements the method and materials adopted in this book point to a constant spread and diffusion of jamaican culture in ethiopia this is reinforced by the universalistic appeal of rastafarianism and reggae music and their ability to transcend borders the data gathered here focus on how an anglophone based creole has developed new speech forms and has been hybridized and cross fertilized in contact situations and by new media sources the book focuses on the use of jamaican english in four particular domains namely school street family and the music studio its findings are drawn from an exceptional range of sources such as field work and video recordings interviews web mediated communication artistic performance and relevant transcriptions these sources highlight five topics of relevance language acquisition and choice english and jamaican speech forms hegemonic and minority groups rastafarian culture and reggae music which are explored in further detail throughout the book these salient features in turn interface with the dynamics of influencing factors reinforcing circumstances significance and change the book represents a journey to the extreme outer circle of english language use following a circular route away from africa and back again with all the languages used and lost along the slavery route and inside the plantation complex developing into creolized speech forms and creoles such language use is now making its way back to africa with all the

incendiary creativity of reggae and resonant with rastafarian language

the jamaican patois is spoken all over the world wherever jamaicans get together for a chat or a song it contains elements of african languages brought to jamaica in the days of slavery mixed with the spanish and english of the early colonists and smatterings of dutch portuguese and other european languages it is very much a living language continuing to evolve but always retaining the expressive lively sunshiny characters of the jamaican people

this volume brings together the work of six authors who explore various dimensions of language rights and how they intersect with social justice in the caribbean context language rights advocacy has been an ongoing issue in caribbean linguistics since at least the 1970s when the society for caribbean linguistics was established and linguists started to turn their attention to the marginalised status of creole languages in the region this continued into the 1990s when dismal scores in secondary school english resulted in governments singling out creole languages as the culprit and linguists had to get involved in shaping language policy for territories across the region by 2011 the role of linguists was cemented in the language rights debate with the creation of the charter on language rights in the creole speaking caribbean using examples from jamaica and st lucia the current study examines the challenges that still persist ten years after the charter specifically in the areas of language advocacy linguistic discrimination and communicative hurdles in the courtroom

discover the rhythm of jamaican patois patwa the living language of jamaica s streets songs and stories this pocket sized mini dictionary gives you an easy guide to everyday words and expressions used in real life and in reggae dancehall lyrics 500 words phrases with clear meanings example sentences in patois with english translations fun facts proverbs and quizzes quick reference glossary of the most

common words whether you're traveling, learning for music, or embracing Caribbean culture, this little book keeps the vibes high and the learning simple.

This book functions as both a translation dictionary and a thesaurus with 3,781 entries and 14,000 translations and synonyms. It is not only the first translation dictionary to go from English to Jamaican Creole Patois but also the first book that can function as a Jamaican thesaurus. The *Jamaicasaurus* is thus an essential resource for anyone interested in Jamaican culture and language, whether local or foreigner, as it marks a new milestone for this dialect of increasing global interest while also serving native speakers searching for alternate words and expressions, recent slang, and old terms from the past. To use this book as a thesaurus, simply look up the English equivalent of the Jamaican word or phrase you have in mind to see the various Jamaican synonyms listed. The appendix at the back of the book additionally features lists of Jamaican expletives and exclamations from mild to vulgar, odd curiosities, and the local Jamaican names for 278 important species of plants and trees used in Jamaica for food, medicine, and cultural purposes, listed by scientific name first. Furthermore, and quite importantly, *Jamaicasaurus* bridges the gap between the common English-based way of spelling Jamaican words and the Cassidy-JLU or Jamiekian system developed by Jamaican linguists. This version of the book displays words in the an English-based spelling format but it also uses the Jamiekian format for sample sentences where they occur. A Jamiekian spellings version featuring exclusively the Cassidy-JLU format is also available. It has a light blue cover.

Jamaica is a place as unique as it is fascinating, with Jamaican Patois being one of the most unique dialects used anywhere.
