psychologist and researcher don donderi examines the evidence and research from the past several decades on the changing nature of ufos he looks at why the scientific establishment takes a dim view of ufos and abduction evidence and examines how the us government has collected and suppressed ufo evidence ufos ets and alien abductions is a wide ranging examination of all things off planet that falls into 3 sections 1 ufos

evidence and belief between 1947 through 1965 and cold war mysteries 2 the changing nature of ufo phenomenon from 1965 to the present which makes the case for the existence of humanoid crew members seen in and around landed ufos this section also examines six well documented abduction cases and includes the author detailing his own research involvement with the evidence he refutes the belief that all abductees are mentally disturbed and that a psychological disturbance explains the experience 3 the third section is devoted to a very meaty and controversial analysis of science politics and ufos

astronomer and ufologist chris a rutkowski has spent the past forty years investigating reports of ufos and other strange phenomena this collection of his writings about people s experiences with ufos alien abductions and other unexplained events is perfect for enthusiastic fans everywhere and includes startling evidence to make even the biggest skeptics believe includes abductions and aliens what s really going on based on almost 25 years of investigation and research science writer chris rutkowski looks critically at abduction stories the canadian ufo report the best cases revealed a popular history of the ufo phenomenon in canada which has captured the imaginations of young and old alike a world of ufos ufos and ufo encounters are truly global phenomena what are some of the most interesting cases which ones seem most mysterious and what can one of the worlds most active ufo researchers and investigators tell us about ufos from a to z join chris a rutkowski as he takes us on a tour of a world of ufos i saw it too i saw it too is the first collection of stories told by kids to document their ufo sightings these accounts are real cases of ufos they ve seen or alien creatures they ve encountered that were reported to government or military officials ufo investigators and journalists the big book of ufos the big book of ufos is a compendium of his best and most disturbing ufo stories for enthusiastic fans everywhere with startling evidence to make even the biggest skeptics believe the renowned ufologist takes us on a tour of ufos in canada and around the world he has studied ufos aliens abductions and even encounters reported by kids

based on almost 25 years of investigation and research science writer chris rutkowski looks critically at abduction stories

thousands of people around the world have claimed to have been abducted by aliens is there truth to these reports or did the people make them up in order to get into the headlines this book explores the history of alien abduction stories some of the commonly reported themes and whether or not the stories could be true

examining the nature of ufo evidence the authors present a primer for scholars skeptics and others uneasy about investigating the field of ufos the volume also brings together three bestselling authors david m jacobs budd hopkins and pulitzer prize winner john mack widely known for their writings on the controversial alien abduction phenomenon

since the late 1980s more and more people in the americas and in europe have come to believe they have been forcibly abducted by alien beings taken on board their spacecraft and subjected to a range of distressing indignities

a fascinating firsthand nuts bolts analysis of the grays when an alien craft stalled stewart bench s truck on a backcountry road he tried his best to just forget about it but then they came back and made it personal in a cosmic encounter for the first time stewart tells the incredible true story of being encountered and then abducted by aliens as an engineer stewart uses his technical experience to describe the specifications of the alien craft their technology their communications and their mission you will discover the details of the alien device implanted in his nose the telepathic communication displayed by the aliens and a wealth of information about the layout and operation of their vehicle and equipment this is a highly detailed close up look at how aliens infiltrate our airspace and conduct experiments on humans without any official acknowledgement as well as the personal toll these encounters have on the abductees

describes sightings and encounters with unidentified flying objects and extraterrestrial beings

new hampshire couple betty and barney hill provided americans with what is essentially the original alien abduction story since their story became public in the early 1960s many thousands of americans have likewise come forward with similar stories of traumatic experiences sometimes the abductee has little conscious recollection of these

events but through nightmares dreams flashbacks and hypnosis they eventually learn more sometimes the participants are bewildered to get a better understanding of the opposing viewpoints of skeptic and believer the betty and barney hill case is used to examine the wider context of such encounters their historical origins media influences and the latest extraterrestrial psychological paranormal conspiracy and sociological theories that surround them

the what do we know about series explores the mysterious the unknown and the unexplained are there really aliens visiting earth to observe and interact with humans in 1961 betty and barney hill claimed to have experienced a bizarre night that included extraterrestrials flying saucers and a few lost hours during which they could recall very little until they underwent hypnosis their mysterious story was just the first of many that have been told by people who have since come forward with their own similar experiences although there are thousands of people who claim to have experienced alien abduction much of the world remains skeptical is alien abduction a real phenomenon that has affected people worldwide or just an imagined shared experience could the us government be working to cover up these stories here are the the facts about what we really know about alien abduction

extraterrestrials regularly abduct humans from earth often performing bizarre surgeries and experiments on their subjects according to the popular and profitable nonfiction offered by major publishing houses books by john fuller budd hopkins david jacobs whitley strieber and others have helped shape contemporary belief in alien beings science fiction scholar terry matheson reveals that the alien abduction literary genre has been a part of our history for decades but was never taken seriously until recent times he explains that traditional aliens were friendly or merely curious quite different from today's ugly fierce sinister creatures abduction narratives and individual accounts have evolved and changed and the new aliens seem to symbolize growing fears that our technology is out of control actual accounts from abduction victims and evidence collected matheson stresses are often greatly enhanced by the bestselling authors who market the stories or are directly linked to well known fantasy and sci fi films released or broadcast prior to the alleged abductions alien abductions also draws a parallel to the way societal myths

are made and that in these narratives we see a new myth in the making

clancy argues that abductees are sane intelligent people who have unwittingly created vivid false memories from a mélange of nightmares culturally available texts and a drive for meaning that science is unable to satisfy this book is not only a subtle exploration of the workings of memory but a sensitive inquiry into the nature of belief

the world's foremost academic expert on ufos and alien abductions provides the first evidence based explanation of a mystery that has perplexed scientists for decades based on more than 700 hypnotic regression interviews with alien abductees and a roper survey of 6 000 adults the threat reveals why the aliens are here and what they want explains why their agenda has been kept secret and exposes their frightening plans for earth and its inhabitants in a direct authoritative challenge to researchers who believe the abduction phenomenon is essentially benevolent and spiritually uplifting professor david m jacob proves that there is a far more disturbing and potentially dangerous plan underway with possible alien domination at its core in this remarkably well researched and well written book professor jacob has added a new complexity and depth to our knowledge of the ufo and abduction phenomena the secret alien agenda revealed here is ominous but it must be confronted before it is too late

a harvard psychiatrist the author of a prince of our disorder presents accounts of alien abduction taken from the more than sixty cases he has investigated and examines the implications for our identity as a species these mesmerizing and thought provoking stories of alien encounters from a harvard professor take you through actual case studies of people from all walks of life and ages who have had challenging sometimes disturbing and in every case life changing experiences of alien abduction john mack explores evidence of nonhuman intelligence like an attorney preparing for the trial of the century interviewing witnesses examining physical evidence consulting with experts in related fields constantly questioning his own assumptions as a story of one man's determination to bear witness to cosmic mysteries with extraordinary implications for the human future abduction is bound to become a modern classic keith thompson author of angels and aliens

learn about the mysterious phenomenon of alien abductions testimonies and theories are presented as potential proof of the existence of aliens who abduct humans eerie photos and illustrations will keep readers turning the pages

with contributions by a host of experts on all things alien this compendium of ufo is a comprehensive a to z encyclopedia containing over 800 entries 300 drawings photos

discusses sightings and encounters with unidentified flying objects and the quest to find life on other planets

this book discusses the incidents of people abductees claiming to have been taken aboard ufos

revealing and unsettling interviews with over sixty real life individuals who claim they were abducted by aliens from the author of the ufo controversy in america in secret life retired professor david m jacobs takes us into the private world of those abducted by aliens letting them describe in their own words what it is like to be abducted based on interviews with sixty individuals and more than 300 independently corroborated accounts secret life presents the most complete and accurate picture of alien abductions ever compiled dr jacobs takes the reader on a minute by minute journey through a typical abduction experience and describes in detail the bizarre physical mental and reproductive procedures that abductees claim have been administered by small alien beings jacobs draws from these interviews a profoundly unsettling reason behind the abductions aliens are conducting a complex reproductive experiment involving the conception gestation or incubation of human and alien hybrid beings
