this project presents the hermeneutical approaches to the qurān of the most prominent qurānic scholars in islamic intellectual history not only scholars who wrote commentaries on the qurān in the narrow sense of the word tafāsīr are to be presented but also those who dealt hermeneutically with the qurān in various ways the handbook of qurānic hermeneutics is the first book that discusses all the hermeneutical fields of the qurān it will be published in seven volumes

this work analyses 1 the discursive terrain of the muslim community ummah of trinidad and tobago from the jihad of jamaat al muslimeen on july 27th 1990 to 2015 with emphasis on the evolution of militant islam in this period 2 it deconstructs the discourse of the islamic state constructed to motivate muslims of the world especially of the west to migrate to undertake hijrah to the islamic state with emphasis on the discursive concepts of the islamic apocalypse the malahim hijrah and jihad is war 3 it deconstructs the specific discourse of the islamic state constituted for the muslims of trinidad and tobago which reveals the importance of the trinidad and tobago contingent to the propaganda machinery of the islamic state 4 it deconstructs the discourse of the survivors which reveals the complex motivational structure of muslims of trinidad and tobago to journey to the islamic state what is revealed is a power relation between the muslims of trinidad and tobago who are a minority group of the population of trinidad and tobago the kufr state of trinidad and tobago and the discourse of the islamic state the reality that the trinidad and tobago contingent to islamic state was the largest per capita amongst muslims that undertook hijrah to the islamic state speaks volumes to the susceptibility of the muslim community to the call of the islamic state this work deconstructs the underlying reality that ensured the virulence of the discourse of the islamic state in its impact on muslims of trinidad and tobago

this book on the topic of the qurān and the moon methodology for monthly recitation of the qurān is a companion volume to my previous book entitled methodology for study of the qurān but which will now be renamed the qurān and the stars methodology for study of the qurān i was in london on the evening of 29th day of shabān 1440 h when it became known that the moon of ramadān was not seen anywhere in uk and yet schoolboys in the muslim community declared that ramadān had commenced in uk the sheep and the cattle then followed them blindly the same mistake

repeated in 1441 h when they again commenced fasting one day early on the basis of a plea that they had arrived at the 30th day of shabān the sheep and the cattle again followed them blindly they acted on the basis of an announcement that the moon was sighted in dajjāl's kingdom of saudi arabia or that the month had commenced in saudi arabia and in doing so they made both a silly as well as a dangerous mistake in departing from the system of time ordained by allah most high this book explains that mistake those who took that wrong decision as well as those who accepted and followed that decision will be questioned on judgement day for what they did since they started ramadān or shabān before ramadān on the wrong day the implication is that they lost the greatest night of the whole year namely lailatul qadr and even more damage was done when they consequently lost the capacity to connect from lunar time to cosmic time and thence to absolute time only lunar time can take us to a timeless world we can climb even up a mountain to sit in a cave in an effort to travel to other worlds of space and time but if we do not live in lunar time we will travel to nowhere they are probably unaware that only lunar time can take us to a timeless world and that whoever has never tasted timelessness can eventually become a prisoner of the dunyah the imām of purley masjid in croydon london made a tearful request that i address subject of moon sighting for the commencement of the lunar month in islam so that muslims might be better guided on that subject this book emerged in consequence of my attempt to respond to that request and i am confident that our explanation of the subject of dajjāl and the system of time in islam would now deter such muslims who have the capacity to think from ever again following those who even though they are in london recklessly rush to embrace a saudi or a moroccan moon i am grateful for the numerous offers of help i received from so many to meet the cost of printing this book in several languages so that in addition to being sold on my online bookstore imranhosein.com large numbers of copies could be distributed free of charge in uk and elsewhere may allah most kind bless them all amān those who this book and would like to participate in the effort to print large numbers of copies for free distribution around the world should kindly contact me by email inhosein@hotmail.com if you would also like me to come in person to teach this subject to your community do please send me an email and if allah so wills i will come to you

jerusalem in the qur an made its debut at a crucial time when the morale of the muslims was not only at its lowest but is continually sinking the blatant incessant israeli incursions in the holy land go unabated and muslims are echoing the very words that their fellow brethren called out unto their lord when they were being persecuted at the hands of the kuffar of makkah when will the help of allah come shaikh imran s insight into the events that are unfolding in the world today is a source of inspiration for muslims for he convincingly argues from his scholarly interpretations of the divine writ i e the holy qur an and the ahadith of the prophet muhammad sallallahu alaihi wa sallam that the help of allah subhanahu wa ta alah is at hand that the holy land will be liberated and that islam will re emerge as the ruling state in the world the reader will be enthralled by the author s grasp on world politics jerusalem in the qur an comes as a ray of sunshine for muslims and is an eye opener for the so called people of the book though jerusalem in the qur an is a meticulously written thesis combining religious and historical documents with recent political events and penetrating interpretations from the qur an and hadith it runs like a story once you begin reading it it is hard to stop it is a reference that one needs to keep and re read whenever the subject is to be researched the book gives a detailed beautifully written exposition of these episodes with brilliant interpretations from the holy qur an and sunnah no one would fail to appreciate his penetrative thought and his spiritual depth

jerusalem in the qur an is a great book that thrilled and delighted me in a number of ways i am surprised that such a meticulously documented book had to wait for such a long time before seeing the light it is now more than half a century since the zionists began their appalling oppression and ethnic cleansing of the palestinian people whose only offense is that they happened to live in a country considered by the jews to be their promised holy land the zionists have continuously referred to distorted scriptures from the torah and other biblical material to justify their atrocious behavior and to motivate the jews to establish a state of israel that extends from the Nile to the Euphrates with jerusalem as its capital for example david ben gurion the first prime minister of israel is quoted to have said the bible is our deed to the land of israel muslim scholars on the other hand have largely failed in refuting zionist claims from authenticated historical and religious sources and have also failed to accomplish their religious responsibility in clearly documenting this question from the holy qur an and

the blessed ahadith of our beloved prophet peace and blessings be upon him as far as i know whatever is written on this subject is rather superficial and emotionally tainted or simply stating facts in a cool manner may allah ta ala reward brother imran hosein for writing this scholarly document which will indeed fill up this intellectual and religious gap and serve as an academic reference to muslims in all parts of the world as i write this introduction this book that was published only this year is already being translated to arabic and bosnian in a short time it will be rendered into other european languages and to all the other tongues of the islamic world it must be reported however that the importance of writing a book about the holy land in the qur an have not escaped the vision of far sighted and creative muslim thinkers such as dr kalim siddiqui founder president of the muslim institute for research and planning and professor shaheed ismail al farouqi i am surprised at the vision of the former scholar who asked imran hosein to write this book as early as 1974 he urged him saying that jerusalem is the key to understanding the historical process of the middle east and the world at large shaikh imran successfully accomplished this task after 27years though seemingly late but it has come at the right time in which the whole world is being shocked by jenin and what happened in sabra and shatila i am amazed by imran s style of writing though jerusalem in the qur an is a meticulously written thesis combining religious and historical documents with recent political events and penetrating interpretations from the qur an and hadith it runs like a story once you begin reading it it is hard to stop this is the general quality of a novel the person would read it once and throw the book away but not that of a serious thought provoking dissertation like the book that brother shaikh imran published it is a reference that one needs to keep and reread whenever the subject is to be researched i believe that this eloquence of the shaikh must be the result of a natural gift that has interacted with his indefatigable work as a preacher and da iyah and the divine blessings for his sincerity finally in spite of the seemingly depressing situation of the muslims in general and the palestinians in particular reading the book would certainly give one a warm surge of optimism about our future a bright light that shines at the end of our long dark tunnel of history we are living at the end of time this is the age in which the prophesies of the holy qur an and the blessed hadith are unfolding right before our very eyes to prove to humanity the truthfulness of our faith

this book is devoted to a study of the jasad whom the prophet king solomon alayhisalam saw sitting on his throne and the

first problem we encounter in this study is that neither the qur an nor the prophet muhammad s sallallahu alayhi wasallam hadith explain who this jasad truly is this book has therefore been written with the specific purpose of inviting a scholarly response to this subject of the jasad from those who defend the salafi methodology as well as those who defend the methods by which the qur an is studied in the dar al ulum imran n hosein was born in trinidad west indes he studied under the guidance of the distinguished scholar of islam maulana dr fadlur rahman ansari at the aleemiyah institute of islamic studies karachi pakistan he is also a post graduate of philosophy from the karachi university of west indes and a post graduate of international relations from the university of the west indes trinidad and the graduate institute of international studies geneva switzerland

a comprehensive guide to a proper study of the qur an using islamic epistemology and the methodologies of scholars who are renowned for the integrity of their scholarship such as the honored dr muhammad fadhlor rahman ansari

i began my study of gog and magog more than fifteen years ago in the early 90 s while resident in new york my subsequent public lecture on the subject never failed to provoke keen interest from my muslim audiences in several parts of the world the evidence and arguments presented in the chapter on gog and magog in my book jerusalem in the qur an succeeded in convincing many who read the book that we now live in a world dominated by gog and magog there were easily convinced that the town mentioned in the qur an in surah al anbiyah 21 95 96 was jerusalem and hence that gog and magog and dajjal explained the ominously unfolding was on islam with slaughter and destruction of muslims in so many parts of the world as a consequence such readers also understood israel s mysterious imperial agenda and many have been making efforts to extricate themselves and their families from the embrace of gog and magog an embrace that will take 999 out of every 1000 of mankind into the hellfire despite my best efforts however i failed miserable again and again to convince my learned peers the scholars of islam i earnestly hope and pray that this book might make a difference inshaallah
